Early Registration

Only students with accounts paid in full may participate in early registration. Early registration is strongly encouraged because some classes have enrollment limits. A minimum number of students are required for a class to be held. Students who intend to register for evening or intersession classes are encouraged to register early. Students may register in person at the Registrar's Office, through web registration or by sending an email with the registration form to registrar@nmhu.edu.

Web Registration

NMHU web page – www.nmhu.edu – MyNMHU – Enter Secure Area – Enter User Name/Password – Student – Registration – Add or Drop Classes – Select a Term – Add classes to worksheet by Course Reference Number (CRN)

Before you begin, remember to plan your schedule. List the courses and code numbers for which you want to register. First choices may not be available; be sure to list alternatives. Web registration allows you to register during the registration and add period. **You may only drop a course online through the first day of classes.**

Residency

Nonresident students do not automatically become New Mexico residents by living in the state more than one year. State law requires proof of intent to establish New Mexico residency. Such proof includes filing New Mexico state income tax forms, registering to vote, and obtaining a New Mexico driver's license and vehicle registration. Such acts must be dated one year and one day prior to the start of the semester the student claims residency. The application for in-state tuition classification can be obtained from the Registrar's Office. The application must be submitted no later than the first day of the semester. The residency laws do not permit campus officials to waive any portion of the residency requirements.

Nonresident tuition waiver for Colorado students

A reciprocity agreement between the states of Colorado and New Mexico allows NMHU to grant a waiver of the nonresident portion of tuition charges to a limited number of students from Colorado. Each student requesting such a waiver must complete an application each semester. The application must be submitted no later than the first day of the semester and can be obtained from the Registrar's Office.

Western Undergraduate Exchange Program

NMHU participates in the Western Undergraduate Exchange (WUE) program, which allows undergraduate students from participating states to attend Highlands at 150 percent of in-state tuition. The application for the WUE program must be submitted no later than the third Friday of each semester. For additional information, please contact the Registrar's Office.

Students ineligible for residency

Students will not be granted resident status, and may not begin to establish resident status while participating in any of the following programs:

- Tuition reciprocity
- Competitive scholarship
- Student exchange

To Drop, Add, or Withdraw

Changes to a student's schedule may be made by using web registration procedure or by completing and processing an add/drop form obtained from the Registrar's Office.

Students who drop a class after the June 8th deadline are responsible for payment of 100% of tuition and fee charges assessed for that particular class.

Students who would like to withdraw from school completely may do so by filing a Complete School Withdrawal Form in the Registrar's Office or by sending an email to registrar@nmhu.edu. You cannot process a complete school withdrawal through the telephone or web registration.

It is the student's responsibility to complete the necessary forms. Failure to complete the proper forms may result in assignment of penalty grades, and may affect the student's account with the business office, as well as the student's financial assistance.

Add, Drop and withdrawal class dates for short-term courses may differ from the regular term courses. Please contact the Registrar's Office for specific information.

Maximum load without approval: 9 hours.

All students must secure the approval of the dean for overloads of 10 hours or more and for any other course exceptions.

Freshmen may not take upper-division courses (300 and 400 level), and sophomores may not take senior courses (400 level). Sophomores who have passed English 111 and have the recommendation of their advisor may take junior courses (300 level). Courses numbered 500 and 600 are open only to graduate students.

Approval may be obtained with an instructor's signature on the formal registration card or add/drop slip, which can be turned in to the Registrar's Office or the instructor may approve the course online by utilizing Web for Faculty.

Students must complete an independent study/independent research/directed study form which describes the course requirements and is approved by the Dean of the College in which the course is offered. The form and registration card must be filed with the Registrar's Office at the time of registration.

Note: The University reserves the right to add, cancel, or change courses at any time.

Students should not re-register for a course in which an "Incomplete" has been assigned. If a student re-registers for such a course, the "Incomplete" will be changed to an "F" as soon as a grade is recorded for the re-registration. Arrangements should be made in the semester immediately following the receipt of the "Incomplete" for its removal.

Before students begin their junior year, they should file major/minor forms at the Registrar's Office, and request a formal degree check.

2. I have a course conflict in my schedule: Students cannot override conflicting courses using web registration. Students may register for one course only. The student must secure appropriate signature(s) on an add/drop form and complete the process at the Registrar's Office during regular registration hours.

3. Where can I find registration and refund dates? Refer to the Schedule of Classes for important registration and refund dates, as well as, information on Business Office or housing charges, payment plans, deadlines, etc.

4. When should payment be submitted to the business office? Refer to the Schedule of Classes payment deadline dates. If a student plans to pay in full, the full payment must be received on or before the deadline date or a deferred payment fee of \$25 will be added to the student's account. Payments to accounts may be made by VISA or MasterCard. The student will be subject to enrollment cancellation if financial assistance is not secured or payment arrangements have not been made with the Business Office prior to deadline dates.

5. The day and time of my course is different: The University reserves the right to add, cancel, or change any course, degree requirement, or program of study at any time. Students may view the class schedule online at www.nmhu.edu – MyNMHU – Summary Class Schedule.

Students may review their course schedules at any time via the web by clicking on MyNMHU on the Highlands homepage. The Registrar's Office can supply a hard copy of the confirmation form, if needed.

6. I dropped a class from my schedule: Courses that are dropped during the late registration period will not be listed in the student's schedule of classes. However, any course(s) from which the student has withdrawn will be indicated with a "W" (withdrawn) on the student's transcript.

7. Can I completely withdraw from school over the web? Students may not withdraw from school through the web. To withdraw completely, the student must obtain signatures and turn in a Complete School Withdrawal form to the Registrar's Office.
