## Student E-Mail

All NMHU students are assigned a Highlands e-mail account. This account must be used for “Official” University communication between students, faculty, and staff members. Students may also use this account to communicate with family and friends. Please note that the Password must be changed from the default password to something different. Before you can log into Desire2Learn, the password needs to be six characters long or longer and have a capital letter as well as a number. The default password is your birthday in the form of MM/DD/YY. You cannot reuse the default password. Your username and password provide access computer labs and other University services, such as Desire2Learn, Libraries, and Self-Service Banner. Look for student e-mail access instructions on our NMHU home page at <http://www.nmhu.edu/information-technology-services/technical-help-for-students/>.

## Registration

All students are encouraged to meet with their academic advisor to plan their class schedule prior to registration.

### Early Registration

Only students with accounts paid in full may participate in early registration. Early registration is strongly encouraged because some classes have enrollment limits. A minimum number of students are required for a class to be held. Students who intend to register for evening or intercession classes are encouraged to register early. Students may register in person at the Registrar's Office, through web registration or by sending an email with the registration form to [registrar@nmhu.edu](mailto:registrar@nmhu.edu).

### Web Registration

NMHU web page – [www.nmhu.edu](http://www.nmhu.edu) – MyNMHU Portal – Enter User Name/Password – Self-Service Banner – Student – Registration – Register for Classes – Select a Term – Find Classes or Enter CRNs – Submit changes

Before you begin, remember to plan your schedule. List the courses and code numbers for which you want to register. First choices may not be available; be sure to list alternatives. Web registration allows you to register during the registration and add period. **You may only drop a course online through the first day of classes.**

### Residency

Nonresident students do not automatically become New Mexico residents by living in the state more than one year. State law requires proof of intent to establish New Mexico residency. Such proof includes filing New Mexico state income tax forms, registering to vote, and obtaining a New Mexico driver's license and vehicle registration. Such acts must be dated one year and one day prior to the start of the semester the student claims residency. The application for in-state tuition classification can be obtained from the Registrar's Office. The application must be submitted no later than the first day of the semester.

The residency laws do not permit campus officials to waive any portion of the residency requirements.

### Nonresident tuition waiver for Colorado students

A reciprocity agreement between the states of Colorado and New Mexico allows NMHU to grant a waiver of the nonresident portion of tuition charges to a limited number of students from Colorado. Each student requesting such a waiver must complete an application each semester. The application must be submitted no later than the first day of the semester and can be obtained from the Registrar's Office.

### Western Undergraduate Exchange Program

NMHU participates in the Western Undergraduate Exchange (WUE) program, which allows undergraduate students from participating states to attend Highlands at 150 percent of in-state tuition. The application for the WUE program must be submitted no later than the third Friday of each semester. For additional information, please contact the Registrar's Office.

### Students ineligible for residency

Students will not be granted resident status, and may not begin to establish resident status while participating in any of the following programs:

- Tuition reciprocity
- Competitive scholarship
- Student exchange

## To Drop, Add, or Withdraw

Changes to a student's schedule may be made by using web registration procedure or by completing and processing an add/drop form obtained from the Registrar's Office.

**Students who drop a class after the August 29<sup>th</sup> deadline are responsible for payment of 100% of tuition and fee charges assessed for that particular class.**

Students who would like to withdraw from school completely may do so by filing a Complete School Withdrawal Form in the Registrar's Office or by emailing the withdrawal form to [registrar@nmhu.edu](mailto:registrar@nmhu.edu). You cannot process a complete school withdrawal through the telephone or web registration.

It is the student's responsibility to complete the necessary forms. Failure to complete the proper forms may result in assignment of penalty grades, and may affect the student's account with the business office, as well as the student's financial assistance.

**Add, Drop and withdrawal class dates for short-term courses may differ from the regular term courses. Please contact the Registrar's Office for specific information.**

## Course Loads and Levels

Fall semester course loads are limited to the following:

**Full load** (for financial assistance eligibility): At or above 12 hours for undergraduates; minimum 9 hours for graduates.

**Maximum load without approval:** 18 hours for undergraduates, 16 hours for graduates, and 12 hours for full-time graduate assistants.

Students must secure the approval of the dean for the following overloads:

19 hours or more for undergraduates;

17 hours or more for graduate students;

13 hours or more for full-time graduate assistants; and for any other course exceptions. No student may register for more than 22 credits.

Students may register for courses one level above their classification. Classification is based on number of credits completed, as follows:

Freshmen	Fewer than 30 credits

Junior	60 through 89 credits
Senior	90 credits and above

Freshmen may not take upper-division courses (300 and 400 level), and sophomores may not take senior courses (400 level). Sophomores who have passed English 111 and have the recommendation of their adviser may take junior courses (300 level). Courses numbered 500 and 600 are open only to graduate students.

## Course Approvals

Students must obtain formal approval for all of the following courses: independent study; independent research; directed study, practicum; field practicum; field experience; thesis; field project; internship; and any other courses requiring an instructor's permission.

Approval may be obtained with an instructor's signature on the formal registration form, which can be turned in to the Registrar's Office or the instructor may approve the course online by utilizing Web for Faculty.

Students must complete an independent study/independent research/directed study form which describes the course requirements and is approved by the Dean of the College in which the course is offered. The form and registration card must be filed with the Registrar's Office at the time of registration.

**Note: The University reserves the right to add, cancel, or change courses at any time.**

Students should not re-register for a course in which an "Incomplete" has been assigned. If a student re-registers for such a course, the "Incomplete" will be changed to an "F" as soon as a grade is recorded for the re-registration. Arrangements should be made in the semester immediately following the receipt of the "Incomplete" for its removal.

All students must have a final degree check or turn in an application for degree form before the end of the third week of the semester in which they expect to graduate.

For complete information on academic policies and degree requirements, consult the undergraduate or graduate catalogs.

## Financial Aid and Scholarships

New Mexico Highlands University offers a comprehensive financial aid program which includes; Institutional and Foundation Scholarships, Federal Pell Grant, Federal SEOG Grant, NM Student Incentive Grant, Federal and State Work Study, Federal Direct Subsidized and Unsubsidized Student Loans. This financial assistance helps to cover educational expenses for those students who qualify. To be considered for federal and state financial aid programs, students must have filed the 2025-2026 Free Application for Federal Student Aid (FAFSA) at [www.studentaid.gov](http://www.studentaid.gov) and be admitted into a degree seeking program. The Office of Financial Aid and Scholarships continuously processes FAFSAs throughout the academic year. Follow the progress of your application on-line at [www.nmhu.edu](http://www.nmhu.edu) select "MYNMHU Portal" and enter the Self-Service Banner to view your award information.

For student loan consideration, you must submit a Federal Direct Student Loan Request Form as well as completing the FAFSA process. Students will be required to also complete an entrance counseling interview and sign a Master Promissory Note (MPN). Entrance counseling and the MPN may be completed online at <https://studentaid.gov>. Allow **2 to 4 weeks** processing time for student loans. Students must be registered for a minimum of ½ time enrollment (as defined by NMHU for both undergraduates and graduate level students) for student loan eligibility. Loans will not be approved until enrollment status can be verified and the student is enrolled in courses applicable to their program of study. All one term loans will be disbursed in two disbursements.

Institutional scholarship consideration for first time freshmen is determined by admission status and Grade Point Average (GPA). There is no scholarship application required for institutional scholarship eligibility.

Freshmen may apply for Foundation scholarships at <https://nmhuscholarships.awardspring.com/prospective/signin>.

Continuing, transfer and graduate students may apply for Foundation scholarship opportunities online at <https://nmhuscholarships.awardspring.com/> beginning mid-April of each academic year. Most scholarships require a minimum 3.0 cumulative GPA and are competitive in nature. Please ensure that required essays and letters of recommendation are submitted with your application.

Students must meet the minimum Satisfactory Academic Progress criteria (as defined in the NMHU catalog) for continued financial aid eligibility; if you have mitigating circumstances for not meeting these standards, you must file your appeal with the Office of Financial Aid and Scholarships. Supporting documentation **MUST** be included with the appeal.

Students participating in a consortium agreement must be enrolled in a minimum of **six (6)** NMHU credit hours for fall/spring terms or **three (3)** credit hours for the summer term. The completed/signed consortium agreement must be received in the Office of Financial Aid and Scholarships **no later than census date (the third Friday of the semester)**. If you are receiving scholarship support, please verify that you are enrolled for the required minimum credit hours.

## Financial Aid Disbursements

Financial Aid disbursements will begin on the third Wednesday of each semester. Notice from the Student Accounts Receivable Office at [sar@nmhu.edu](mailto:sar@nmhu.edu) will be sent to your NMHU student e-mail when a reimbursement is issued. Reimbursement will be issued by direct deposit or a check will be mailed to the address on file.

## Financial Aid Return to Title IV Policy for Official/Unofficial Withdrawals

Treatment of Title IV Aid when a student withdraws: The Federal Title IV law specifies how NMHU must determine the amount of federal Title IV program assistance you “earn” if you withdraw from school (officially or unofficially). The difference must be repaid by the student or the school and you may have financial liabilities when the calculation is completed. This applies to students receiving; Federal Direct Unsubsidized Loan, Federal Direct Subsidized Loan, Federal Direct PLUS Loan, Federal Pell Grant, Federal SEOG Grant, or TEACH Grant.

For more information, refer to the undergraduate or graduate catalogs, contact the Office of Financial Aid and Scholarships at 505-454-3318, or toll-free 800-379-4038; e-mail us at [financialaid@nmhu.edu](mailto:financialaid@nmhu.edu) or write to:

ACCESS (Academic Challenges and Cultivating Excellence in Student Success) is the program name for student accommodation services. Students wishing to receive academic accommodations must complete an online application, upload documentation of disability from a qualified professional identifying the disability and the recommended accommodations, and meet with the Coordinator of Disability Services to discuss accommodations. It is requested that the student complete this initial application process at least one month before the beginning of the initial semester.

Following the eligibility determination process, the student must meet with the Coordinator of Disability Service at least two weeks before the start of each semester to re-enroll in services and maintain ongoing accommodations. The student is not required to reapply each semester. However, updated documentation may be requested on a case-by-case basis to ensure accommodations remain appropriate.

For instructions on how to apply for ACCESS services, go to <https://apply.nmhu.edu/register/disabilityservices>.

If you prefer to complete hard copy forms or alternate formats, you may request application forms by email at [camille@nmhu.edu](mailto:camille@nmhu.edu)

To coordinate sign language interpreting services, students who are deaf must complete the ACCESS application process at least one month before the beginning of the initial semester and provide course/class schedule information one month before the start date of each semester. NMHU is not obligated to provide accommodations to students who fail to document a disability and request interpreting services in a timely manner.
